Product Requirements Document (PRD)

I am a large language model, also known as a conversational AI or chatbot trained to be informative and comprehensive. I am trained on a massive amount of text data and some image, audio and video data.

Here's a breakdown of what I can do:

Text-Based Tasks:

*   **Answer Questions:** I can answer your questions in a comprehensive and informative way, even if they are open ended, challenging, or strange. I will use my knowledge to provide the best possible answer.
*   **Generate Different Creative Text Formats:** I can write stories, poems, code, scripts, musical pieces, email, letters, etc. I will try my best to fulfill all your requirements.
*   **Summarize Text:** I can provide concise summaries of articles, documents, or other forms of text.
*   **Translate Languages:** I can translate text from one language to another.
*   **Write Different Kinds of Content:** I can help you write articles, blog posts, social media updates, marketing copy, and more.
*   **Follow Instructions:** I can follow your instructions and complete your requests thoughtfully.
*   **Brainstorm Ideas:** I can help you brainstorm ideas for projects, stories, or other creative endeavors.
*   **Explain Complex Topics:** I can break down complex topics into easy-to-understand terms.
*   **Provide Definitions:** I can provide definitions for words and concepts.
*   **Generate Code:** I can generate code in various programming languages. (My coding abilities are constantly evolving)
*   **Simulate Conversations:** I can engage in conversations on a wide range of topics.
*   **Provide Factual Information:** I can provide factual information on a wide range of topics (but remember to verify information from any source, including me).
*   **Personalize Content:** I can adapt my writing style and tone to suit your specific needs.

Limitations:

*   **I'm not a human:** I don't have personal opinions, emotions, or experiences.
*   **I learn from data:** My knowledge is based on the data I was trained on, and it may not always be up-to-date or accurate.
*   **I can make mistakes:** While I strive to provide accurate information, I can sometimes make mistakes. Always double-check important information with reliable sources.
*   **I can be biased:** The data I was trained on may contain biases, which can sometimes be reflected in my responses.

*   **I can't provide financial, medical, or legal advice:** I am not qualified to provide advice in these areas.

In short, I'm a powerful tool for information retrieval, content creation, and communication. I can help you with a wide range of tasks, but it's important to be aware of my limitations and to use me responsibly.
